When the transferor is unable to pay its portion of the transfer costs, the transferee, with Agency approval, may pay these costs provided:

§ 765.406 Release of transferor from liability.

(a) *General.* Agency approval of an assumption does not automatically release the transferor from liability.

(b) *Requirements for release.* (1) The Agency may release the transferor from liability when all of the security

is transferred and the total outstanding debt is assumed.

(2) If an outstanding debt balance will remain and only part of the transferor's Agency security is transferred, the written request for release of liability will not be approved, unless the deficiency is otherwise resolved to the Agency's satisfaction.

(3) If an outstanding balance will remain and all of the transferor's security has been transferred, the transferor may pay the remaining balance or request debt settlement in accordance with subpart B of 7 CFR part 1956.

(4) Except for loans in default being serviced under 7 CFR part 766, if an individual who is jointly liable for repayment of an FLP loan withdraws from the farming operation and conveys all of their interest in the security to the remaining borrower, the withdrawing party may be released from liability under the following conditions:
